

Roklin's Asphalt Repair System

Roklin Systems Inc. is now offering the Flomix polymer based Asphalt rapid repair system, with product and tools for the low cost of only \$4,995 delivered ! A fully self contained repair system, it's like having your own Hot Mix plant in the back of your truck. No more being at the mercy of the Hot Mix plant, you can do repairs 24 hours a day, 7 days a week, 365 days a year. Order now for this introductory offer, a package worth over \$6,000 for the low price of \$4,995 including tax and shipping. Call 877-FLEXSET or 949-305-8795 now.
